- (d) Upon issue, all the Bearer Notes will be represented by a global certificate in bearer form (the **Global Note**), which will be deposited with the Common Depositary on or about the Issue Date. The Global Note will be exchangeable for definitive Bearer Notes only in limited circumstances.

2.2 Transfer and Title

- (a) Definitive Notes

Subject as set out below, title to the Bearer Notes will pass by delivery. The Issuer and the Bearer Notes Paying Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note as the absolute owner thereof (whether or not the Bearer Note is overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of the Bearer Notes represented by a Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as the Bearer Notes are represented by a Global Note held on behalf of Euroclear and/or Clearstream, each person (other than Euroclear or Clearstream) who is for the time being shown in the records (the **Records**) of Euroclear or of Clearstream as the holder of a particular nominal amount of such Bearer Notes (in which regard any certificate or other document issued by Euroclear or Clearstream as to the nominal amount of such Bearer Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Bearer Notes Paying Agent as the holder of such nominal amount of such Bearer Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Bearer Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer

and any Bearer Notes Paying Agent as the holder of such nominal amount of such Bearer Notes in accordance with and subject to the terms of the relevant Global Note and the expressions Bearer Noteholder and holder of Bearer Notes and related expressions shall be construed accordingly.

Pursuant to Section 220 of the Companies Law, the Portfolio Assets shall only be used to meet liabilities due to the creditors in respect of the Segregated Portfolio and are not available or to be used to meet the claims of creditors of the Company or creditors of another segregated portfolio of the Company.

The Bearer Notes shall bear interest on their Nominal Amount at the Interest Rate from, and including, the Interest Commencement Date to, but excluding, the Maturity Date. Interest (the **Interest Payment Amount**) shall be payable semi-annually in arrear on the Interest Payment Dates in each year. Interest will accrue in respect of each Interest Period.

The amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) such Interest Payment Date will amount to the equivalent of 3.75 % of the Nominal Amount of a Bearer Note (p.a.). If Interest is required to be calculated for a period other

than an Interest Period, the amount of interest payable on the Bearer Notes in respect of their Nominal Amount for such period shall be calculated by applying the Interest Rate and the Day Count Fraction to the outstanding Nominal Amount of the Bearer Notes and rounding the resultant figure to the nearest sub-unit of the Specified Currency, with 0.5 of a sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

4. REDEMPTION

- (b) If the Issuer, having used all reasonable efforts, was unable to realise all or part of the Portfolio Assets, the Issuer may redeem the relevant Bearer Notes after the Maturity Date, including by instalments in accordance with Condition 4.6 below. The relevant Bearer Notes shall not be deemed fully redeemed unless and until there are still any assets left in the Segregated Portfolio. The Issuer shall undertake to use all reasonable means to promptly achieve a Full Repayment.
- (c) The Bearer Noteholders will not be entitled to any interest or other payment for the delay in receiving the Redemption Amount unless such delay has been caused by wilful misconduct or gross negligence of the Issuer. For the avoidance of doubt, any such delay in the payment of the Redemption Amount shall not constitute an Event of Default as provided in Condition 8 (*EVENTS OF DEFAULT*) below.

4.2 Redemption Amount

In respect of each Bearer Note, the Redemption Amount corresponds, subject to a Replacement Specification pursuant to Condition 4.5 below, to the product of (A) the Nominal Amount, (B) the Participation Factor, and (C) the Index Level on the Final Valuation Date, as determined by the Calculation Agent (the **Redemption Amount**).

- an Index Disruption Event has occurred,

the Issuer may, at its option, issue a notice to the Bearer Noteholders in accordance with Condition 13 (*NOTICES*) below by which it informs the Bearer Noteholders about the early redemption of the Bearer Notes (in whole but not in part) on a date which cannot be less than ten (10) Business Days after the issue of the notice (the **Early Redemption Date**). On the Early Redemption Date, the Issuer shall redeem each Bearer Note by paying the Early Redemption Amount and the Interest Payment Amount to the Bearer Noteholders. In such a case, the obligations of the Issuer under these Conditions shall be fully discharged and the Bearer Noteholders shall have no further claim or recourse against the Issuer.

- (b) The Early Redemption Amount corresponds, subject to a Replacement Specification pursuant to Condition 4.5 below, to the product of (A) the Nominal Amount, (B) the Participation Factor, and (C) the Index Level on the Early Redemption Valuation Date, as determined by the Calculation Agent (the **Early Redemption Amount**).
- (c) If the Issuer, having used all reasonable efforts, was unable to realise all or part of the Portfolio Assets, the Issuer may redeem the relevant Bearer Notes after the Early Redemption Date, including by instalments in accordance with Condition 4.6 below. The relevant Bearer Notes shall not be deemed fully redeemed unless and until there are still any assets left in the Segregated Portfolio. The Issuer shall undertake to use all reasonable means to promptly achieve a Full Repayment.
- (d) The Bearer Noteholders will not be entitled to any interest or other payment for the delay in receiving the Early Redemption Amount unless such delay has been caused by wilful misconduct or gross negligence of the Issuer. For the avoidance of doubt, any such delay for the payment of the Early Redemption Amount shall not constitute an Event of Default as provided in Condition 8 (*EVENTS OF DEFAULT*) below.

4.4 Redemption at the option of the Bearer Noteholders

- (a) Without prejudice to their right of early redemption in connection with an Event of Default pursuant to Condition 8 (*EVENTS OF DEFAULT*), any Bearer Noteholder may, prior to the Maturity Date, request the early redemption of all or part of its outstanding Bearer Notes on 15th of each month of each calendar year, starting on 15 February 2026 falling after the expiry of the Lock-Up Period (each an **Optional Redemption Date**).
- (b) In order to exercise its right described in Condition 4.4 (a), a Bearer Noteholder shall give to the Issuer, in accordance with Condition 13 (*NOTICES*), not less than thirty (30) nor more than sixty (60) Business Days' notice expiring on the Optional Redemption Date and (in the case of the Bearer Notes in definitive form) indicating the serial numbers of the Bearer Notes to be redeemed. In the case of the Bearer Notes in definitive form, such notice must be accompanied by the Bearer Note or Bearer Notes to be redeemed.
- (c) Upon receipt of the notice and, if applicable, the definitive Bearer Notes pursuant to (b) and subject as provided below, the Issuer will redeem each of the relevant Bearer Notes on the Optional Redemption Date by paying the Optional Redemption Amount and the Interest Payment Amount.
- (d) The Optional Redemption Amount corresponds, subject to a Replacement Specification pursuant to Condition 4.5 below, to the product of (A) the Nominal Amount, (B) the Participation Factor, and (C) the Index Level on the Optional Redemption Valuation Date, as determined by the Calculation Agent (the **Optional Redemption Amount**).
- (e) The notice given by a Bearer Noteholder in accordance with this Condition 4.4 shall be irrevocable except where, prior to the Optional Redemption Date, an Event of Default has occurred and is continuing, in which event such Bearer Noteholder, at its option, may elect

by notice to the Issuer to withdraw the notice given pursuant to this Condition 4.4 and instead to declare the Bearer Notes forthwith due and payable pursuant to Condition 8.

- (f) If the Issuer, having used all reasonable efforts, was unable to realise all or part of the Portfolio Assets, the Issuer may redeem the relevant Bearer Notes after that date, including by instalments in accordance with Condition 4.6 below. The relevant Bearer Notes shall not be deemed fully redeemed unless and until there are still any assets left in the Segregated Portfolio.
- (g) The Bearer Noteholders will not be entitled to any interest or other payment for the delay in receiving the Optional Redemption Amount unless such delay has been caused by wilful misconduct or gross negligence of the Issuer. For the avoidance of doubt, any such delay in the payment of the Optional Redemption Amount shall not constitute an Event of Default under Condition 8 (*EVENTS OF DEFAULT*) below.

4.5 Replacement Specification

If the Index Level used to determine the Redemption Amount, the Early Redemption Amount, or the Optional Redemption Amount (as applicable) is subsequently corrected and the correction (the **Corrected Index Level**) is published by the Index Calculation Agent or the Index Sponsor after the original publication of the Index Level but prior to the Maturity Date, the Early Redemption Date or the Optional Redemption Date (as applicable), then the Calculation Agent will notify the Issuer of the Corrected Index Level without undue delay and shall specify the relevant Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount (as applicable) again using the Corrected Index Level (the **Replacement Specification**) and publish it to the Bearer Noteholders in accordance with Condition 13 (*NOTICES*) below. However, if the Calculation Agent is informed of the Corrected Index Level less than five Business Days prior to the date on which the Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount (as applicable) is to be paid, then the relevant Index Level will not be specified again.

4.6 Redemption by instalments

Should the Issuer not receive sufficient cash from the realisation of the Portfolio Assets to pay the full Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, or the Interest Payment Amount (as applicable) when due, the Issuer will (i) pay a Partial Redemption Amount on each Bearer Note to the relevant Bearer Noteholder on the relevant due date and (ii) pay any further Partial Redemption Amount from the amounts received from the realisation of the Portfolio Assets after the relevant due date as soon as possible after the realisation.

4.7 Purchase of Bearer Notes

The Issuer may at any time purchase Bearer Notes at any price. Such Bearer Notes must be cancelled forthwith. For the avoidance of doubt, this Condition 4.7 does not apply to the Bearer Notes held by the Issuer in accordance with Condition 2.1 (c).

The Issuer shall be discharged of its obligation to pay the Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, the Partial Redemption Amount or the Interest Payment Amount (as applicable) to the extent of the payments so made and no late interest will be due on any late payment in this respect.

For the avoidance of doubt, upon a Full Repayment, the relevant Bearer Notes are redeemed in full and all claims of the Bearer Noteholders shall be satisfied in respect of the Bearer Notes so redeemed. In such case, the Bearer Noteholders may not take any further steps against the Issuer to recover any further sums in respect of such Bearer Notes and their right to receive any such sums shall be extinguished.

Each Bearer Noteholder expressly acknowledges and accepts that once all the assets allocated to the Segregated Portfolio have been realised, it is not entitled to take any further steps against the Issuer or the Company to recover any further sums due and the right to receive any such sum shall be extinguished. Each Bearer Noteholder accepts not to attach or otherwise seize the assets of the Issuer allocated to the Segregated Portfolio or to other segregated portfolios of the Company or the general assets of the Company. In particular, none of the Bearer Noteholders shall be entitled to (i) institute against the Company or any segregated portfolio of the Company, including the Segregated Portfolio, or join or assist any other person in instituting against the Company or any segregated portfolio of the Company, including the Segregated Portfolio, any winding-up, liquidation, bankruptcy, arrangement or insolvency proceedings under any Cayman Islands law, Luxembourg law or similar law of any jurisdiction, or (ii) apply for a receivership order under Section 224 of the Companies Law in respect of the Segregated Portfolio or any other segregated portfolio of the Company. - (b) a court order is made or an effective resolution is passed or a notice is issued convening a meeting for the purpose of passing any resolution or any other step is taken for the winding-up, insolvency, bankruptcy, administration, reorganisation or reconstruction of the Company or for the appointment of a liquidator, administrator, administrative receiver, receiver, trustee or similar officer of the Company or the Segregated Portfolio or similar Cayman Islands or foreign laws proceedings affecting the rights of creditors generally are opened against the Company and remain unstayed in effect for a period of thirty (30) consecutive days; or

The initial Index Level on the Index Commencement Date is 100 index points, one index point corresponding to EUR 0.01. The index points are calculated with 2 decimals. Whereby

Management Fee means a fee of 0.00246575 index points per calendar day; if an Index Calculation Day has been immediately preceded by a calendar day (or more than one consecutive calendar days) which is not an Index Calculation Day, the Management Fee for such calendar day which is not an Index Calculation Day is applied to the calculation of the Index Level for the relevant Index Calculation Day. The Performance Fee will only be applied if the Index Level on the relevant valuation date is higher than the Relevant Highest Level. Any Performance Fee incurred will be deducted on a monthly basis from the Index Level on the last Index Calculation Day of each month. The Performance Fee will be calculated in accordance with the following formula:

$$PF (t) = \max(0; GIIL (t) \times (\text{up to } 17.70\%))$$

2.2 Definitive Bearer Notes - voting certificate

A holder of a Bearer Note in definitive form may obtain a voting certificate in respect of that Bearer Note from the Bearer Notes Paying Agent (unless the Bearer Note is the subject of a block voting instruction which has been issued and is outstanding in respect of the meeting specified in the voting certificate or any adjourned meeting) subject to the holder procuring that the Bearer Note is deposited with the Bearer Notes Paying Agent or (to the satisfaction of the Bearer Notes Paying Agent) is held to its order or under its control or blocked in an account with a relevant clearing system upon terms that the Bearer Note will not cease to be deposited or held or blocked until the first to occur of:

The voting certificate will be made available at or shortly before the start of the meeting by the Bearer Notes Paying Agent against presentation by the Identified Person of the form of identification previously notified by the holder to the relevant clearing system. The relevant clearing system may prescribe forms of identification (including, without limitation, passports) which it considers appropriate for these purposes. Subject to receipt by the Bearer Notes Paying Agent from the relevant clearing system, no later than 48 hours before the time for which the meeting is convened, of notification of the nominal amount of the Bearer Notes to be represented by any voting certificate and the form of identification against presentation of which the voting certificate should be released, the Bearer

Notes Paying Agent shall, without any obligation to make further enquiry, make available voting certificates against presentation of forms of identification corresponding to those notified.

2.4 Definitive Bearer Notes - block voting instruction

A holder of a Bearer Note in definitive form may require the Bearer Notes Paying Agent to issue a block voting instruction in respect of that Bearer Note (unless the Bearer Note is the subject of a voting certificate which has been issued and is outstanding in respect of the meeting specified in the block voting instruction or any adjourned meeting) by depositing the Bearer Note with the Bearer Notes Paying Agent or (to the satisfaction of the Bearer Notes Paying Agent) by:

- (a) procuring that, not less than 48 hours before the time fixed for the meeting, the Bearer Note is held to the Bearer Notes Paying Agent's order or under its control or is blocked in an account with a relevant clearing system, in each case on terms that the Bearer Note will not cease to be so deposited or held or blocked until the first to occur of:
 - (i) the conclusion of the meeting specified in the block voting instruction or, if later, of any adjourned meeting; and
 - (ii) the surrender to the Bearer Notes Paying Agent, not less than 48 hours before the time for which the meeting or any adjourned meeting is convened, of the receipt issued by the Bearer Notes Paying Agent in respect of each deposited Bearer Note which is to be released or (as the case may require) the Bearer Note ceasing with the agreement of the Bearer Notes Paying Agent to be held to its order or under its control or to be blocked and the giving of notice by the Bearer Notes Paying Agent to the Issuer in accordance with Subclause 2.5 of the necessary amendment to the block voting instruction; and
- (b) instructing the Bearer Notes Paying Agent that the vote(s) attributable to each Bearer Note so deposited or held or blocked should be cast in a particular way in relation to the resolution or resolutions to be put to the meeting or any adjourned meeting and that the instruction is, during the period commencing 48 hours before the time for which the meeting or any adjourned meeting is convened and ending at the conclusion or adjournment of the meeting, neither revocable nor capable of amendment.

2.5 Global Notes - block voting instruction

- (a) A holder of a Bearer Note (not being a Bearer Note in respect of which a voting certificate has been issued) represented by a Global Note may require the Bearer Notes Paying Agent to issue a block voting instruction in respect of the Bearer Note by first instructing the relevant clearing system to procure that the votes attributable to the holder's Bearer Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. Any such instruction shall be given in accordance with the rules of the relevant clearing system then in effect. Subject to receipt by the Bearer Notes Paying Agent, no later than 48 hours before the time for which the meeting is convened, of (i) instructions from the relevant clearing system, (ii) notification of the nominal amount of the Bearer Notes in respect of which instructions have been given and (iii) the manner in which the votes attributable to the Bearer Notes should be cast, the Bearer Notes Paying Agent shall, without any obligation to make further enquiry, attend the meeting and cast votes in accordance with those instructions.
- (b) Each block voting instruction shall be deposited by the relevant Bearer Notes Paying Agent at the place specified by the Bearer Notes Paying Agent for the purpose not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction propose to vote, and in default the block voting instruction shall not be treated as valid unless the chairman of the meeting decides otherwise before the meeting or adjourned meeting proceeds to business. A certified copy of each block voting instruction shall (if so requested by the Issuer) be deposited with the Issuer before the

start of the meeting or adjourned meeting but the Issuer shall not as a result be obliged to investigate or be concerned with the validity of or the authority of the proxies named in the block voting instruction.

- (c) Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the instructions of the relevant Bearer Noteholder or the relevant clearing system (as the case may be) pursuant to which it was executed provided that no indication in writing of any revocation or amendment has been received from the relevant Bearer Notes Paying Agent by the Issuer at its registered office by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.

3 CONVENING OF MEETINGS, QUORUM, ADJOURNED MEETINGS

- 3.1 The Issuer may at any time and, if required in writing by Noteholders holding not less than 51.01 per cent. in nominal amount of the Notes for the time being outstanding, shall convene a meeting of the Noteholders and if the Issuer fails for a period of seven days to convene the meeting the meeting may be convened by the relevant Noteholders. Whenever the Issuer is about to convene any meeting it shall immediately give notice in writing to the Bearer Notes Paying Agent of the day, time and place of the meeting and of the nature of the business to be transacted at the meeting.
- 3.2 At least 21 clear days' notice specifying the place, day and hour of the meeting shall be given to the Noteholders in the manner provided in the relevant terms and conditions of the Notes. The notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting and shall either (i) include statements as to the manner in which holders may, if applicable, appoint proxies or representatives and arrange for voting certificates or block voting instructions to be issued, or (ii) inform Noteholders that details of the voting arrangements are available free of charge from the Bearer Notes Paying Agent, provided that, in the case of (ii) the final form of such details are so available with effect on and from the date on which the notice convening such meeting is given as aforesaid. A copy of the notice shall be sent by post to the Issuer (unless the meeting is convened by the Issuer).
- 3.3 The person (who may but need not be a Noteholder) nominated in writing by the Issuer shall be entitled to take the chair at each meeting but if no nomination is made or if at any meeting the person nominated is not present within 15 minutes after the time appointed for holding the meeting the Noteholders present shall choose one of their number to be chairman failing which the Issuer may appoint a chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the meeting from which the adjournment took place.
- 3.4 At any meeting one or more Eligible Persons present and holding or representing in the aggregate not less than 51 per cent. in nominal amount of the Notes for the time being outstanding shall form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted at any meeting unless the required quorum is present at the commencement of business.
- 3.5 If within 15 minutes (or such longer period not exceeding 30 minutes as the chairman may decide) after the time appointed for any meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened by Noteholders be dissolved. In any other case it shall be adjourned to the same day in the next week (or if that day is a public holiday the next following business day) at the same time and place.
- 3.6 At any adjourned meeting one or more Eligible Persons present (whatever the nominal amount of the Notes so held or represented by them) shall form a quorum and shall have power to pass any resolution or any other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the required quorum been present.

4 CONDUCT OF BUSINESS AT MEETINGS

- 4.1 Every question submitted to a meeting shall be decided by a poll. In the case of an equality of votes for any resolution which does not require any particular quorum, the resolution shall be deemed to be rejected.
- 4.2 The chairman may, with the consent of any meeting, adjourn the meeting from time to time and from place to place. No business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
- 4.3 Any poll on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.
- 4.4 Any director or officer of the Issuer and its lawyers and financial advisers may attend and speak at any meeting. Subject to this, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Noteholders or join with others in requiring the convening of a meeting unless he is an Eligible Person. No person shall be entitled to vote at any meeting in respect of Notes held by, for the benefit of, or on behalf of the Issuer. Nothing contained in this Subclause 4.4 shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the Issuer.
- 4.5 Subject as provided in Subclause 4.4, at any meeting, every Eligible Person present shall have one vote in respect of one Note.

Without prejudice to the obligations of the proxies named in any block voting instruction, any person entitled to cast more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

- 4.6 The proxies named in any block voting instruction need not be Noteholders.
- 4.7 A meeting of the Noteholders shall have powers specified in the terms and conditions of the relevant Notes. All powers shall be exercisable by a meeting of the Noteholders by a resolution adopted by a simple majority of the votes cast (subject to the provisions relating to quorum contained in Subclauses 3.4 and 3.6). Notwithstanding any provision to the contrary in this section or the terms and conditions of the Notes, no modification may be made to the terms and conditions of the Notes without the prior written consent of entities acting as account banks in connection with the Notes and/or paying agents and securities custodians if such modification would have an effect to lower the rank of such entities in the order of payment of costs set out in the terms and conditions of the Notes.
- 4.8 Any resolution passed at a meeting of the Noteholders duly convened and held in accordance with these provisions shall be binding upon all the Noteholders whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing. Notice of the result of voting on any resolution duly considered by the Noteholders shall be published in accordance with the terms and conditions of the Notes by the Issuer within 14 days of the result being known provided that non-publication shall not invalidate the resolution.
- 4.9 Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by the Issuer and any minutes signed by the chairman of the meeting at which any resolution was passed or proceedings had shall be conclusive evidence of the matters contained in them and, until the contrary is proved, every meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had at the meeting to have been duly passed or had.

If and whenever the Issuer has issued and has outstanding Notes of more than one Series the previous provisions of this section shall have effect subject to the following changes:

- a resolution which affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
- a resolution which affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;
- a resolution which affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if it is duly passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
- to all such meetings all the preceding provisions of this section shall *mutatis mutandis* apply as though references therein to Notes, Noteholders and holders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.

D.2	Key risks regarding the Issuer	<p>RISK FACTORS RELATING TO THE ISSUER</p> <p><i>Risks in connection with the Issuer qualifying as a special purpose vehicle</i></p> <p>The Issuer does not have any other business than the raising of money to acquire assets eligible to invest in.</p> <p><i>Risks in connection with the Companies Law and segregated portfolios in general</i></p> <p>By subscribing to, or otherwise acquiring, the Notes, the Noteholders will, and shall be deemed to, fully adhere to, and be bound by, the terms and conditions of the Notes and the company articles of the Issuer.</p> <p><i>Risks in connection with the Segregated Portfolios relating to the Notes</i></p> <p>Claims against the Issuer will be limited to the net assets of the relevant Segregated Portfolio. In case a Segregated Portfolio is liquidated, only its assets shall be applied in accordance with the conditions of the Notes.</p> <p><i>Risks in connection with other creditors in respect of the Segregated Portfolios</i></p> <p>The Issuer is not aware of any claims of persons other than a Noteholder or any other creditors whose claims have arisen in connection with the</p>

Element	Title	
		<p>creation, the operation or the liquidation of a Segregated Portfolio (the Portfolio Parties) that have arisen or may in the future arise on terms that such claims would be entitled to be satisfied from the assets of a Segregated Portfolio. In case such claims exist, they may have a material and adverse effect on the value of the assets of the Segregated Portfolio available to meet the claims of the Noteholders (and other Portfolio Parties), and therefore the assets of the Segregated Portfolio may not be sufficient to satisfy all amounts scheduled to be paid to the Noteholders (and other Portfolio Parties).</p> <p><i>Risks in connection with the limited recourse and non-petition mechanism</i></p> <p>The rights of Noteholders and other Portfolio Parties to participate in the assets of the Issuer are limited to the assets of a relevant Segregated Portfolio in accordance with Part XIV of the Companies Law and the conditions of the Notes. In particular, no party has the right to (i) petition for the winding up, the liquidation or the bankruptcy of the Issuer or (ii) apply for a receivership order under Section 224 of the Companies Law in respect of the relevant Segregated Portfolio or any other segregated portfolio of the Issuer as a consequence of any shortfall or to take any similar proceedings. Failure to make payment in respect of any shortfall shall in no circumstances constitute an event of default under the conditions of the Notes.</p> <p><i>Risks in connection with the consequences of an application for the commencement of winding-up proceedings or similar proceedings</i></p> <p>Legal proceedings initiated by a Noteholder (or any other Portfolio Party) against the Issuer in conjunction with an application for the commencement of winding-up, liquidation and bankruptcy or similar proceedings against the Issuer in breach of these provisions shall, in principle, be declared inadmissible by the courts of the Cayman Islands.</p> <p><i>Risks in connection with the lack of security interests</i></p> <p>As the Issuer has not created any security interest over the assets in the Segregated Portfolio to secure its obligations in respect of the Notes, no such security interests exist for the benefit of the Noteholders (or other Portfolio Parties).</p> <p><i>Risks in connection with third parties</i></p> <p>The Issuer is party to contracts with a number of third parties who have agreed to perform a number of services in relation to the Notes. If any such third party fails to perform its obligations under any relevant agreement, Noteholders may be adversely affected.</p> <p><i>Risks in connection with conflicts of interest</i></p> <p>The Issuer may create additional segregated portfolios under which it may invest in the same assets as, or in assets similar to, the assets in which already existing Segregated Portfolios have invested. Furthermore, the investment policy of each Segregated Portfolio may compete or be in conflict with the investment policy of other Segregated Portfolios or additional segregated portfolios. Noteholders do not have the right to switch from one Segregated Portfolio to another Segregated Portfolio or</p>

		<p>segregated portfolio of the Issuer or to receive any compensatory payments. Thus, there are, or may be, potential conflicts of interests in relation to the investment policies applicable to the various Segregated Portfolios of the Issuer and the agents performing obligations in connection with the Notes.</p> <p><i>Risks in connection with Cayman Islands Anti-Money Laundering Legislation</i></p> <p>If the Issuer were determined by the Cayman Islands authorities to be in violation of certain rules and regulations in respect of Cayman Islands Anti-Money Laundering Legislation, the Issuer could be subject to substantial criminal penalties and/or administrative fines. Such a violation could materially adversely affect the timing and amount of payments by the Issuer to the Noteholders.</p>
D.6	Key risks regarding the Notes	<p>RISK FACTORS RELATING TO THE NOTES</p> <p><i>The Notes may not be a suitable investment for an investor</i></p> <p>A potential investor should not invest in Notes unless the investor has the expertise (either alone or with a financial adviser) to understand how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact his investment will have on the potential investor's overall investment portfolio.</p> <p><i>Risks relating to the Notes</i></p> <p><i>Change of law</i></p> <p>The rights and obligations of the Noteholders may adversely be affected by any change of law applicable to the Notes.</p> <p><i>Commissions, fees and costs to be paid by the Issuer</i></p> <p>Distribution commissions or other similar fees charged by the Issuer's distribution agents and other fees and costs (including as applicable arranging fees and arranger prefunded amounts) reduce the total amount of the net issue proceeds. Therefore, the issue proceeds available to the Issuer for the purpose of investing in the Underlying Securities or other assets may be reduced accordingly.</p> <p><i>Costs relating to the purchase and sale of the Notes</i></p> <p>Commissions and other costs, which are incurred by a potential investor in connection with the purchase and/or sale of Notes, may significantly reduce the income generated by an investment in the Notes.</p> <p><i>Credit Ratings and other ratings</i></p> <p>Any rating which may, in the future, be assigned to the Notes, may not adequately reflect all risks of the investment in such Notes. Equally, ratings may be suspended, downgraded or withdrawn. Such suspension, downgrading or withdrawal may have an adverse effect on the market value and trading price of the Notes.</p>

Element	Title	
		<p><i>Early redemption</i></p> <p>The Final Terms will specify in which cases the Issuer has the right to call the Notes prior to maturity or at the option of the Issuer (call option) on one or several dates determined beforehand or whether the Notes will be subject to early redemption in case of the occurrence of an event specified in the conditions of the Notes. Since the Issuer may redeem some Notes prior to their maturity, it is possible that the Noteholders may receive less or substantially less redemption monies than if the Issuer redeemed such Notes on their stated Maturity Date.</p> <p><i>Further issuances</i></p> <p>The Issuer may create and issue under each Segregated Portfolio further notes having the same terms and conditions in all respects as the outstanding Notes except for the issue date, so that such further issue shall be consolidated and form a single series with the relevant series of the outstanding Notes or upon such terms and conditions as the Issuer may determine at the time of their issue (with a different fee structure (as applicable)).</p> <p><i>Hedging costs</i></p> <p>Potential investors may not be able, or only be able at important costs, to enter into hedging agreements to limit the risk that is generated by an investment in the Notes. Such hedging costs may significantly reduce the income generated by an investment in the Notes.</p> <p><i>Investment Period</i></p> <p>Prospective investors should note that an investment in the Notes is depending on the relevant (minimum) investment period of the relevant Notes and thus constitutes a medium-term or a long-term investment with no certainty of return. A Noteholder may only receive any payment from the Issuer at the Maturity Date or predefined early redemption dates, which will/may occur after a considerable period of time from the date of acquiring the Notes.</p> <p><i>Lack of security</i></p> <p>As the Issuer has not created any security interest over the assets in the Segregated Portfolio to secure its obligations in respect of the Notes, no such security interests exist for the benefit of the Noteholders (or other Portfolio Parties).</p> <p><i>Legality of purchase</i></p> <p>A prospective investor may not rely on the Issuer, any distributor or financial intermediaries or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes.</p> <p><i>Limitation on payments</i></p> <p>Payments to be made by the Issuer under the Notes are expressly subject to availability of corresponding funds in a Segregated Portfolio and</p>

		<p>therefore, by subscribing the Notes, the Noteholders incur the risk that they will lose all or part of their investment in the Notes. Furthermore, the Notes are subject to a qualified subordination clause.</p> <p><i>Limited recourse</i></p> <p>All payments to be made by the Issuer in respect of the Notes will be made only from the assets of the Segregated Portfolio. The Noteholders will consequently bear, amongst others, the insolvency risk of Timberland Investment SA as issuer of the Underlying Securities or its successor or Substitute Issuer(s). To the extent that the assets of the Segregated Portfolio are less than the minimum amount which the Noteholders of the outstanding Notes were scheduled to receive, such shortfall will be borne solely by the Noteholders.</p> <p><i>Liquidity risk</i></p> <p>Regardless of whether the Notes are listed or not, there is a risk that no liquid secondary market for the Notes will develop or, if it does develop, that it will not continue. In an illiquid market, an investor is subject to the risk that the investor will not be able to sell his Notes at any time at fair market prices. Moreover, the possibility to sell the Notes may additionally be restricted by country specific reasons. The conditions of the Notes also provide that the Issuer may, without the consent of Noteholders, make any modification to the relevant conditions of the Notes which is of a formal, minor or technical nature, or is made to correct a manifest or proven error, or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated or to reflect any change of law which has an impact on the Issuer's obligations under the Notes.</p>
