- an Index Disruption Event has occurred,

the Issuer may, at its option, issue a notice to the Bearer Noteholders in accordance with Condition 13 (*NOTICES*) below by which it informs the Bearer Noteholders about the early redemption of the Bearer Notes (in whole but not in part) on a date which cannot be less than ten (10) Business Days after the issue of the notice (the **Early Redemption Date**). On the Early Redemption Date, the Issuer shall redeem each Bearer Note by paying the Early Redemption Amount and the Interest Payment Amount to the Bearer Noteholders. In such a case, the obligations of the Issuer under these Conditions shall be fully discharged and the Bearer Noteholders shall have no further claim or recourse against the Issuer.

(b) The Early Redemption Amount corresponds, subject to a Replacement Specification pursuant to Condition 4.5 below, to the product of (A) the Nominal Amount, (B) the Participation Factor, and (C) the Index Level on the Early Redemption Valuation Date, as determined by the Calculation Agent (the **Early Redemption Amount**).

(c) If the Issuer, having used all reasonable efforts, was unable to realise all or part of the Portfolio Assets, the Issuer may redeem the relevant Bearer Notes after the Early Redemption Date, including by instalments in accordance with Condition 4.6 below.

For the avoidance of doubt, any such delay for the payment of the Early Redemption Amount shall not constitute an Event of Default as provided in Condition 8 (*EVENTS OF DEFAULT*) below.

4.4 Redemption at the option of the Bearer Noteholders

- (a) Without prejudice to their right of early redemption in connection with an Event of Default pursuant to Condition 8 (*EVENTS OF DEFAULT*), any Bearer Noteholder may, prior to the Maturity Date, request the early redemption of all or part of its outstanding Bearer Notes on 15th of each month of each calendar year, starting on 15 February 2026 falling after the expiry of the Lock-Up Period (each an **Optional Redemption Date**).
- (b) In order to exercise its right described in Condition 4.4 (a), a Bearer Noteholder shall give to the Issuer, in accordance with Condition 13 (*NOTICES*), not less than thirty (30) nor more than sixty (60) Business Days' notice expiring on the Optional Redemption Date and (in the case of the Bearer Notes in definitive form) indicating the serial numbers of the Bearer Notes to be redeemed. In the case of the Bearer Notes in definitive form, such notice must be accompanied by the Bearer Note or Bearer Notes to be redeemed.
- (c) Upon receipt of the notice and, if applicable, the definitive Bearer Notes pursuant to (b) and subject as provided below, the Issuer will redeem each of the relevant Bearer Notes on the Optional Redemption Date by paying the Optional Redemption Amount and the Interest Payment Amount.
- (d) The Optional Redemption Amount corresponds, subject to a Replacement Specification pursuant to Condition 4.5 below, to the product of (A) the Nominal Amount, (B) the Participation Factor, and (C) the Index Level on the Optional Redemption Valuation Date, as determined by the Calculation Agent (the **Optional Redemption Amount**).
- (e) The notice given by a Bearer Noteholder in accordance with this Condition 4.4 shall be irrevocable except where, prior to the Optional Redemption Date, an Event of Default has occurred and is continuing, in which event such Bearer Noteholder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 4.4 and instead to declare the Bearer Notes forthwith due and payable pursuant to Condition 8.
- (f) If the Issuer, having used all reasonable efforts, was unable to realise all or part of the Portfolio Assets, the Issuer may redeem the relevant Bearer Notes after that date, including by instalments in accordance with Condition 4.6 below. The relevant Bearer Notes shall not be deemed fully redeemed unless and until there are still any assets left in the Segregated Portfolio.
- (g) The Bearer Noteholders will not be entitled to any interest or other payment for the delay in receiving the Optional Redemption Amount unless such delay has been caused by wilful misconduct or gross negligence of the Issuer. For the avoidance of doubt, any such delay in the payment of the Optional Redemption Amount shall not constitute an Event of Default under Condition 8 (*EVENTS OF DEFAULT*) below.

4.5 Replacement Specification

If the Index Level used to determine the Redemption Amount, the Early Redemption Amount, or the Optional Redemption Amount (as applicable) is subsequently corrected and the correction (the **Corrected Index Level**) is published by the Index Calculation Agent or the Index Sponsor after the original publication of the Index Level but prior to the Maturity Date, the Early Redemption Date or the Optional Redemption Date (as applicable), then the Calculation Agent will notify the Issuer of the Corrected Index Level without undue delay and shall specify the relevant Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount (as applicable) again using the Corrected Index Level (the **Replacement Specification**) and publish it to the Bearer Noteholders in accordance with Condition 13 (*NOTICES*) below. However, if the Calculation Agent is informed of the Corrected Index Level less than five Business Days prior to the date on which the Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount (as applicable) is to be paid, then the relevant Index Level will not be specified again.

4.6 Redemption by instalments

Should the Issuer not receive sufficient cash from the realisation of the Portfolio Assets to pay the full Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, or the Interest Payment Amount (as applicable) when due, the Issuer will (i) pay a Partial Redemption Amount on each Bearer Note to the relevant Bearer Noteholder on the relevant due date and (ii) pay any further Partial Redemption Amount from the amounts received from the realisation of the Portfolio Assets after the relevant due date as soon as possible after the realisation.

4.7 Purchase of Bearer Notes

The Issuer may at any time purchase Bearer Notes at any price. Such Bearer Notes must be cancelled forthwith. For the avoidance of doubt, this Condition 4.7 does not apply to the Bearer Notes held by the Issuer in accordance with Condition 2.1 (c).

4.8 Cancellation

All Bearer Notes redeemed by the Issuer upon a Full Repayment will be cancelled forthwith and may not be reissued or resold and the obligations of the Issuer in respect of any such Bearer Notes shall be discharged.

5. PAYMENTS

5.1 Limited recourse obligations

- (a) For the avoidance of doubt, the Issuer shall only be obliged to make any payments to the Bearer Noteholders in respect of the Bearer Notes if, and only to the extent that, the relevant amounts are held in the Segregated Portfolio.

The Issuer shall be discharged of its obligation to pay the Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, the Partial Redemption Amount or the Interest Payment Amount (as applicable) to the extent of the payments so made and no late interest will be due on any late payment in this respect.

For the avoidance of doubt, upon a Full Repayment, the relevant Bearer Notes are redeemed in full and all claims of the Bearer Noteholders shall be satisfied in respect of the Bearer Notes so redeemed. In such case, the Bearer Noteholders may not take

any further steps against the Issuer to recover any further sums in respect of such Bearer Notes and their right to receive any such sums shall be extinguished.

(b) Qualified subordination clause

- All claims under the Bearer Notes, including but not limited to the claims for payment of the Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, the Partial Redemption Amount, and the Interest Payment Amount, applying mutatis mutandis in accordance with Section 19 (2) sentence 2 of the German Insolvency Code (*Insolvenzordnung*, InsO) are subordinated to all claims of other current or future creditors in such a manner that any payments of principal and interest under the Bearer Notes may be demanded only after satisfaction of all other creditors ranking as stipulated in Section 39 (1) nos. 1 to 5 InsO, i.e. at the ranking position stipulated in Section 39 (2) InsO. A waiver with respect to the claims is not possible.
- Payments under the Bearer Notes may be demanded from future annual net profits, from any liquidation surplus or from other disposable assets.
- The Bearer Noteholders may not demand satisfaction of their claims if this results, or threatens to result, in the Company becoming overindebted (*überschuldet*) or unable to pay its debts (*zahlungsunfähig*) within applying mutatis mutandis the meaning of German insolvency law.
- Paragraphs (i) to (iii) apply both before and after the opening of insolvency proceedings.
- In all other respects, the Bearer Noteholders are entitled without restriction to assert their rights under the Bearer Notes and to claim performance.
- For the avoidance of doubt, this clause constitutes an agreement for the benefit of all creditors of the Company as a whole (*Gläubigergesamtheit*) applying mutatis mutandis within the meaning of Section 328 (2) of the German Civil Code (*Bürgerliches Gesetzbuch*). Any cancellation of this subordination agreement without the creditors' cooperation will therefore be permitted only in the event that the criteria for insolvency (paragraph (iii)) are not met or no longer met in respect of the Company.

5.2 Payments in Euro

Subject to as provided below, payments in respect of the Bearer Notes will be made by credit or transfer to a Euro denominated account of the relevant Bearer Noteholder the details of which have been communicated by such Bearer Noteholder to the Issuer and/or the Bearer Notes Paying Agent.

5.3 Presentation of definitive Bearer Notes

Payments in respect of definitive Bearer Notes will be made (subject as provided below) in the manner provided in Condition 5.2 only against presentation and surrender (or, in the case of partly payment of any sum due, endorsement) of definitive Bearer Notes at the specified office of the Bearer Notes Paying Agent. A record of each payment made against presentation or surrender (as the case may be) of any definitive Bearer Note will be made on such definitive Bearer Note by the Bearer Notes Paying Agent to which it was presented or surrendered and such record shall be prima facie evidence that the payment in question has been made.

5.4 Payments in respect of the Global Note

Payments in respect of the Bearer Notes represented by a Global Note will be made (subject as provided below) in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender (as the case may be) of such Global Note at the specified office of the Bearer Notes Paying Agent. A record of each payment made against presentation or surrender (as the case may be) of any Global Note will be made on such Global Note by the Bearer Notes Paying Agent to which it was presented or surrendered and such record shall be prima facie evidence that the payment in question has been made.

The bearer of a Global Note shall be the only person entitled to receive payments in respect of the Bearer Notes represented by such Global Note and the Issuer's payment obligations in respect thereof will be discharged pro tanto by payment to, or to the order of, the bearer of such Global Note in respect of each amount so paid. Each of the persons shown in the Records as the beneficial holder of a particular nominal amount of the Bearer Notes represented by such Global Note must look solely to Euroclear or Clearstream as the case may be, for his share of each payment made by the Issuer to, or to the order of, the bearer of such Global Note. Such persons shall have no direct claim against the Issuer in respect of payments due on the Global Note.

5.5 General provisions applicable to payments

Every payment in respect of the Bearer Notes or to the account of the Bearer Notes Paying Agent in the manner provided in the agreement between the Issuer and the Bearer Notes Paying Agent shall operate in satisfaction pro tanto of the relative payment obligation of the Issuer in respect of such Bearer Notes.

5.6 Determinations

- (a) All calculations to be made under these Conditions (including the determinations of the Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, the Partial Redemption Amount or the Interest Payment Amount) will be made by the Calculation Agent appointed by the Issuer.
- (b) In the absence of the Calculation Agent's wilful misconduct, bad faith or manifest error, the calculations of the Calculation Agent will be binding on the Bearer Noteholders.

5.7 Fractions

When making payments to the Bearer Noteholders, if the relevant payment is not of an amount which is a whole multiple of the smallest unit of the relevant currency in which such payment is to be made, such payment will be rounded down to the nearest unit.

5.8 Payments subject to fiscal laws

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment. A payment made in accordance with the provisions of this Condition 5 (*PAYMENTS*) above shall be a good discharge for the Issuer.

5.9 Delay in payment or partial payments

A Bearer Noteholder will not be entitled to any interest or any other payment for any delay after the due date in receiving the amount due as a result of the due date not being a Business Day or (if applicable) if the Bearer Noteholder is late in presenting or surrendering the relevant definitive Bearer Note.

If any amount due on the Bearer Notes is not paid in full, the Bearer Notes Paying Agent, or in case of a Global Note, the Common Depositary, will annotate the relevant Bearer Notes and cause the Register to be annotated with a record of the amount in fact paid.

5.10 Business Days

If a payment date referred to in these Conditions falls on a day which is not a Business Day, such payment date shall be postponed to the next following day which is a Business Day, provided that the Bearer Noteholders shall not be entitled to any interest or other sum in respect of such postponed payment.

5.11 Payment of tax refunds

Tax refunds received by the Issuer in respect of the Portfolio Assets will be allocated to the Segregated Portfolio and re-invested.

6. MISCELLANEOUS

6.1 Companies Law (2016 Revision)

By subscribing to the Bearer Notes, or otherwise acquiring the Bearer Notes, each Bearer Noteholder expressly acknowledges and accepts, and will be deemed to have accepted and acknowledged, that the Company (i) is subject to the Companies Law and (ii) has created the Segregated Portfolio in respect of the Bearer Notes to which all assets, rights, claims and agreements relating to the Bearer Notes will be allocated. Furthermore, each Bearer Noteholder acknowledges and accepts that it has only recourse to the Portfolio Assets and not to the assets allocated to any other segregated portfolios created by the Company or the general assets of the Company. Each Bearer Noteholder expressly acknowledges and accepts that once all the assets allocated to the Segregated Portfolio have been realised, it is not entitled to take any further steps against the Issuer or the Company to recover any further sums due and the right to receive any such sum shall be extinguished. Each Bearer Noteholder accepts not to attach or otherwise seize the assets of the Issuer allocated to the Segregated Portfolio or to other segregated portfolios of the Company or the general assets of the Company. In particular, none of the Bearer Noteholders shall be entitled to (i) institute against the Company or any segregated portfolio of the Company, including the Segregated Portfolio, or join or assist any other person in instituting against the Company or any segregated portfolio of the Company, including the Segregated Portfolio, any winding-up, liquidation, bankruptcy, arrangement or insolvency proceedings under any Cayman Islands law, Luxembourg law or similar law of any jurisdiction, or (ii) apply for a receivership order under Section 224 of the Companies Law in respect of the Segregated Portfolio or any other segregated portfolio of the Company. In the case of a conflict between the provisions of this Condition 6.1 and the other Conditions, the provisions of this Condition 6.1 shall prevail.

By subscribing for the Bearer Notes, or otherwise acquiring the Bearer Notes, each Bearer Noteholder expressly acknowledges and accepts that it has no direct right in respect of the Portfolio Assets.

6.2 Exclusion of application for winding-up

For the avoidance of doubt, no Bearer Noteholder may initiate proceedings against the Issuer or the Company based on Section 94 of the Companies Law.

6.3 Collateral

The Issuer endeavours to hold at any time assets that are, in its reasonable discretion, suitable to ensure full and punctual payment of the Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount, or the Interest Payment Amount, respectively. The Issuer shall not be obliged to directly, indirectly, or synthetically invest in the Index Components.

7. TAXATION

All payments by or on behalf of the Issuer in respect of the Bearer Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the Cayman Islands or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

8. EVENTS OF DEFAULT

If any one or more of the following events (each an **Event of Default**) shall occur and be continuing:

- (a) if the Issuer fails to perform or observe any of its material obligations under the Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of thirty (30) days next following the service by a Bearer Noteholder on the Issuer of notice requiring the same to be remedied; or
- (b) a court order is made or an effective resolution is passed or a notice is issued convening a meeting for the purpose of passing any resolution or any other step is taken for the winding-up, insolvency, bankruptcy, administration, reorganisation or reconstruction of the Company or for the appointment of a liquidator, administrator, administrative receiver, receiver, trustee or similar officer of the Company or the Segregated Portfolio or similar Cayman Islands or foreign laws proceedings affecting the rights of creditors generally are opened against the Company and remain unstayed in effect for a period of thirty (30) consecutive days; or
- (c) if the Company stops or threatens to stop payment of, or is unable, or admits inability, to pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law and has lost its creditworthiness,

then the Issuer shall promptly notify the Bearer Noteholders of the occurrence of the relevant Event of Default and any Bearer Noteholder may, by written notice (the **Event of Default Notice**) to the Issuer, effective upon the date of receipt thereof by the Issuer, declare all (but not part only) of the Bearer Notes held by it to be forthwith due and payable within the next thirty (30) days whereupon each of the same shall become so payable at the Optional Redemption Amount without presentment, demand, protest or other notice of any kind.

If the Issuer, having used all reasonable efforts, was unable to realise all or part of the Portfolio Assets, the Issuer may redeem the relevant Bearer Notes after that date, including by instalments in accordance with Condition 4.6. The relevant Bearer Notes shall not be deemed fully redeemed unless and until there are still any assets left in the Segregated Portfolio. The Issuer shall undertake to use all reasonable means to promptly achieve a Full Repayment. The Bearer Noteholders will not be entitled to any interest or other payment for the delay suffered in receiving the Optional Redemption Amount unless such delay has been caused by wilful misconduct or gross negligence of the Issuer.

9. PRESCRIPTION

Claims against the Issuer for payment in respect of the Bearer Notes shall be prescribed and become void unless made within ten years (in the case of the Redemption Amount, the Early Redemption Amount, and the Optional Redemption Amount) and five years (in the case of the Interest Payment Amount) from the date on which the relevant payment first becomes due.

10. MEETING OF NOTEHOLDERS

10.1 Articles 470-3 to 472-19 of the Companies Act 1915 are not applicable to the Bearer Notes, according to article 470-20 of the Companies Act 1915.

10.4 For the avoidance of doubt, a resolution which affects Bearer Noteholders of more than one series of notes issued by the Issuer or the Company (as applicable) may be passed at a single meeting of Bearer Noteholders only if it does not give rise to a conflict of interest between such Bearer Noteholders.

10.5 Subject to Condition 10.4:

Any such modification shall be binding on the Bearer Noteholders and any such modification shall be notified to the Bearer Noteholders by way of a notice in accordance with Condition 13 (*NOTICES*).

No modifications to the Conditions may be made by the Bearer Noteholders without the Issuer's written consent.

12. FURTHER ISSUES

The Issuer may from time to time, without the consent of the Bearer Noteholders, create and issue under the Segregated Portfolio further notes (i) having the same Conditions in all respects as the outstanding Bearer Notes except for the Issue Date, so that such further issue shall be consolidated and form a single series with the outstanding Bearer Notes, and references in these Conditions to the Bearer Notes shall be construed accordingly or (ii) upon such terms and conditions as the Issuer may determine at the time of their issue. In addition, the Company may, without the consent of the Bearer Noteholders, issue all types of securities under other segregated portfolios set up by it. The Issuer will inform the existing Bearer Noteholders of any issuance of further Notes under the Segregated Portfolio pursuant to (ii) via a notice in accordance with Condition 13.

The Issuer will not guarantee the obligations of the Substitute Issuer under the Bearer Notes after the substitution. The Bearer Noteholders, by subscribing for, or otherwise acquiring, the

Bearer Notes, are deemed to have (i) consented to any substitution of the Issuer effected in accordance with this Condition 15 and to the release of the Issuer from any and all obligations in respect of the relevant Bearer Notes and these presents; and (ii) accepted such substitution and the consequences thereof.

After the substitution of the Issuer by a Substitute Issuer this Condition 15 shall apply again. In the event of such a substitution, every reference in these Conditions to the Issuer shall be deemed to refer to the Substitute Issuer.

The Performance Fee will be calculated in accordance with the following formula:

$$PF (t) = \max(0; GIIL (t) \times (\text{up to } 17.70\%))$$

Relevant Highest Level means the initial Index Level on the Index Commencement Date. Thereafter, the Relevant Highest Level will be determined on each valuation date in accordance with the following provisions:

- (a) The Relevant Highest Level will be the highest Index Level reached on any valuation date preceding the relevant valuation date (after deduction of the Performance Fee); i.e. if the Index Level (after deduction of the Performance Fee) on any valuation date

exceeds the Relevant Highest Level applicable on such valuation date, then the Relevant Highest Level will be deemed to be equal to the Index Level (after deduction of the Performance Fee). The Relevant Highest Level adjusted in this manner will apply from the next following valuation date. If the Index Level (after deduction of the Performance Fee) on any valuation date does not exceed the Relevant Highest Level applicable on such valuation date, then the Relevant Highest Level will remain unchanged, except as provided in the following paragraph.

- (b) In each month, on the 31st of each month starting from December 2018 (if such calendar day(s) is/are a valuation date, and in all other cases on the next following valuation date) (each an **Relevant Highest Level Reset Date**), the Relevant Highest Level will be reset so that it will be equal to the Index Level (after deduction of the Performance Fee) on such Relevant Highest Level Reset Date. If the Index Level on such day is lower than the previous Relevant Highest Level, the Relevant Highest Level will be reduced accordingly.

Tracking Error Correction Factor means 2.5 per cent. of the Net Asset Value of the Index Components. The Investment Advisor has the sole and absolute discretion to lower the Tracking Error Correction Factor to 0.00 per cent.

3.3 Publication of the Index Level

The Index Level shall be published on www.timberlandsecurities.com or any successor or replacement address thereto. Publication takes place on each Index Calculation Day.

4. INDEX CORRECTIONS

If the Index Calculation Agent determines in its reasonable discretion in respect of an Index Calculation Day that the Net Asset Value of the Index Components used to determine the Index Level was incorrect, e.g. because the price of one or more underlying assets of the Index Components is subsequently corrected or if a hypothetical investor would not have been able to sell one or more underlying assets of the Index Components at the price(s) used to determine the relevant Index Level, it may subsequently correct the relevant Index Level within a period of 360 Business Days after the initial publication of the relevant Index Level.

5. ADJUSTMENTS

Any reference to the replaced Index in the herein shall be deemed to refer to the Replacement Index. In the case of an Index Replacement Event, the Index Sponsor will publish the relevant adjustment on www.timberlandsecurities.com or any successor or replacement address thereto without undue delay.

Whereby

Any reference to the replaced Index Sponsor herein shall be deemed to refer to the New Index Sponsor.

Whenever the Issuer is about to convene any meeting it shall immediately give notice in writing to the Bearer Notes Paying Agent of the day, time and place of the meeting and of the nature of the business to be transacted at the meeting.

The notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting and shall either (i) include statements as to the manner in which holders may, if applicable, appoint proxies or representatives and arrange for voting certificates or block voting instructions to be issued, or (ii) inform Noteholders that details of the voting arrangements are available free of charge from the Bearer Notes Paying Agent, provided that, in the case of (ii) the final form of such details are so available with effect on and from the date on which the notice convening such meeting is given as aforesaid. A copy of the notice shall be sent by post to the Issuer (unless the meeting is convened by the Issuer).
- 3.3 The person (who may but need not be a Noteholder) nominated in writing by the Issuer shall be entitled to take the chair at each meeting but if no nomination is made or if at any meeting the person nominated is not present within 15 minutes after the time appointed for holding the meeting the Noteholders present shall choose one of their number to be chairman failing which the Issuer may appoint a chairman. The chairman of an adjourned meeting need not be the same person as was chairman of the meeting from which the adjournment took place.

- 3.4 At any meeting one or more Eligible Persons present and holding or representing in the aggregate not less than 51 per cent. in nominal amount of the Notes for the time being outstanding shall form a quorum for the transaction of business and no business (other than the choosing of a chairman) shall be transacted at any meeting unless the required quorum is present at the commencement of business.
- 3.5 If within 15 minutes (or such longer period not exceeding 30 minutes as the chairman may decide) after the time appointed for any meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened by Noteholders be dissolved. In any other case it shall be adjourned to the same day in the next week (or if that day is a public holiday the next following business day) at the same time and place.
- 3.6 At any adjourned meeting one or more Eligible Persons present (whatever the nominal amount of the Notes so held or represented by them) shall form a quorum and shall have power to pass any resolution or any other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the required quorum been present.

- 4.2 The chairman may, with the consent of any meeting, adjourn the meeting from time to time and from place to place. No business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
- 4.3 Any poll on the election of a chairman or on any question of adjournment shall be taken at the meeting without adjournment.
- 4.4 Any director or officer of the Issuer and its lawyers and financial advisers may attend and speak at any meeting. Subject to this, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Noteholders or join with others in requiring the convening of a meeting unless he is an Eligible Person. No person shall be entitled to vote at any meeting in respect of Notes held by, for the benefit of, or on behalf of the Issuer. Nothing contained in this Subclause 4.4 shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the Issuer.
- 4.5 Subject as provided in Subclause 4.4, at any meeting, every Eligible Person present shall have one vote in respect of one Note.

Without prejudice to the obligations of the proxies named in any block voting instruction, any person entitled to cast more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

- 4.6 The proxies named in any block voting instruction need not be Noteholders.
- 4.7 A meeting of the Noteholders shall have powers specified in the terms and conditions of the relevant Notes. All powers shall be exercisable by a meeting of the Noteholders by a resolution adopted by a simple majority of the votes cast (subject to the provisions relating to quorum contained in Subclauses 3.4 and 3.6). Notwithstanding any provision

to the contrary in this section or the terms and conditions of the Notes, no modification may be made to the terms and conditions of the Notes without the prior written consent of entities acting as account banks in connection with the Notes and/or paying agents and securities custodians if such modification would have an effect to lower the rank of such entities in the order of payment of costs set out in the terms and conditions of the Notes.

4.8 Any resolution passed at a meeting of the Noteholders duly convened and held in accordance with these provisions shall be binding upon all the Noteholders whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing. Notice of the result of voting on any resolution duly considered by the Noteholders shall be published in accordance with the terms and conditions of the Notes by the Issuer within 14 days of the result being known provided that non-publication shall not invalidate the resolution.

4.9 Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by the Issuer and any minutes signed by the chairman of the meeting at which any resolution was passed or proceedings had shall be conclusive evidence of the matters contained in them and, until the contrary is proved, every meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had at the meeting to have been duly passed or had.

If and whenever the Issuer has issued and has outstanding Notes of more than one Series the previous provisions of this section shall have effect subject to the following changes:

- a resolution which affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;
- a resolution which affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;
- a resolution which affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if it is duly passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
- to all such meetings all the preceding provisions of this section shall *mutatis mutandis* apply as though references therein to Notes, Noteholders and holders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.

d. Relative seniority of the securities in the issuer's capital structure in the event of insolvency

The obligations under the Notes constitute direct, unsecured and limited recourse obligations of the Issuer and rank pari passu and rateably, without any preference among themselves, with all other existing direct, unsecured, limited recourse indebtedness of the Issuer, which has been or will be allocated to a segregated portfolio but in the event of insolvency (including bankruptcy, insolvency and voluntary or judicial liquidation) claims under the Notes will rank after all other claims of any subordinated or unsubordinated creditor of the Issuer, only to the extent permitted by applicable laws relating to creditors' rights generally.

e. Restrictions on the free transferability of the securities

No restrictions apply to the transferability of the Notes; thus, the Notes are freely transferable.

2. Where will the securities be traded?

Application may be made to include the Notes to trading on the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange and the Open Market (*Freiverkehr*) of the Munich Stock Exchange and the Open Market (*Freiverkehr*) of the Stuttgart Stock Exchange and the MTF market (*Dritter Markt*) of the Vienna Stock Exchange, which are not regulated markets within the meaning of Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU. Application has been made to include the Notes to trading on the Open Market (*Freiverkehr*) of the Munich Stock Exchange.

3. What are the key risks that are specific to the securities?

Market price risk: A Noteholder is exposed to the risk of an unfavourable development of market prices of his Notes which materialises if the Noteholder sells the Notes prior to the Maturity Date of the Notes.

Risks relating to the investment period: Prospective investors should note that an investment in the Notes is depending on the relevant (minimum) investment period of the relevant Notes and thus constitutes a medium-term or a long-term investment with no certainty of return. A Noteholder may only receive any payment from the Issuer at the Maturity Date or predefined early redemption dates, which will/may occur after a considerable period of time from the date of acquiring the Notes.

Commissions, fees and costs to be paid by the Issuer reduce the total amount of the net issue proceeds: Distribution commissions or other similar fees charged by the Issuer's Distribution Agents (as defined below) and other fees and costs (including as applicable arranging fees and arranger prefunded amounts) reduce the total amount of the net issue proceeds. Therefore, the issue proceeds available to the Issuer for the purpose of investing in the assets prescribed in the base prospectus may be reduced accordingly.

Risks relating to loan-financed investments: In case of financed investments in the Notes, a potential investor should not rely on the fact that the income generated by an investment in the Notes will suffice to repay the loan itself and the interest thereon.

Risks in connection with the taxation regimes: Noteholders may be subject to the applicable national taxation regime that may affect the outcome of the investment in the Notes.

Liquidity risk: Regardless of whether the Notes are listed or not, there is a risk that no liquid secondary market for the Notes will develop or, if it does develop, that it will not continue. In an illiquid market, an investor is subject to the risk that the investor will not be able to sell his Notes at any time at fair market prices. Moreover, the possibility to sell the Notes may additionally be restricted by country specific reasons. In addition, Noteholders should be

aware that the Issuer has no influence on the suspension, interruption, or termination of trading in the Notes (other than where trading in the Notes is terminated upon the Issuer's decision), and Noteholders bear the risks connected with any trading suspension, interruption or termination.
